

Happy Fourth of July!

Even as we social distance, this time of year can be an opportunity to celebrate our great nation with our clients and each other. In place of client barbeques, you can gift your favorite barbeque sauce or S'more packages to your clients and fellow brokers. Don't forget to put your flag out this weekend!

In past years Florence REALTORS® have contributed their time collecting food donations for the Lane County food drive. This year we are unable to do so due to Covid-19 so we have chosen to donate \$500 to the food drive as an organization. We hope you will join us in supporting our struggling community at a time when it needs us the most.

Remember, Masks Required!

Governor Kate Brown announced today that Oregonians statewide will be required to wear face coverings in indoor public spaces, beginning this Wednesday July 1.

“Modeling from the Oregon Health Authority shows that if we don’t take further action to reduce the spread of the disease, our hospitals could be overwhelmed by new COVID-19 cases and hospitalizations within weeks... I do not want to have to close down businesses again like other states are now doing. If you want your local shops and restaurants to stay open, then wear a face covering when out in public... Please keep your Fourth of July celebrations small and local. We saw a lot of new COVID-19 cases following the Memorial Day holiday. Another spike in cases after the upcoming holiday weekend could put Oregon in a dangerous position.”

Letter from the EO

Happy Fourth of July brokers and affiliates!

As you navigate the fear, anger, politics and general discomfort felt by your clients and those around you I would like to encourage patience and kindness. We provide not only a service but the entire experience of buying a home to our clients. With so many external factors surrounding this major purchase they need us to be their rock in the storm. Even as we struggle with our own insecurities and trepidation, let us continue to offer the exceptional, personalized service that only a local can give. Studies have shown that volunteer work and generosity can boost people’s mood and possibly even their health. Focusing on our clients and potential clients can provide a welcome respite and healthy alternative to focusing on negative news-bites and social media posts.

I hope you all have a wonderful weekend celebrating the many blessings we enjoy as citizens of the USA!

James Thibault, Executive Officer
